

# *In Honor Of Corene Borders Freeman*

## **MaMa, Grammy, Mother**

No matter of the three, which you are called, they are all said with our deepest love for you! Thank you for being there when we needed you and when we thought we didn't. From the days of childhood for us oldest ones, you have been the strength that has kept moving us forward and for us little ones you are the inspiration that tells us we can do and be anything we want to be. No matter the age you have shown us that all things are possible with true faith in ourselves and in God. In all the years of our lives we could never tell you just how much we love you and what you mean to us. So just know that there is not a day that passes that we do not look up and thank God for the sacrifices you have made and the unconditional love that you continue to give us. Your hands are strong, yet so gentle to handle the most delicate flowers. Your smile is always bright to help add sunshine to the gloomiest days. And, your heart is the most wonderful, as it comforts us always.
