OREATHA MAGNOLIA BORDERS BRIDGES

December 26, 1927 - July 28, 2002

Daughter of James Mills and Julia Roberts Borders

Oreatha,

I remember the spring of 1948 when you and I lay on the grass at Washington High School in Waco, North Carolina. We planned for our wedding day on August 15th as well as our life together. I cannot say that all was perfect, but I can say there was very little improvement that could have been made over the fifty-four years we had together.

God bless you and I still love you.

Furman David Bridges

For all the love, sincerity, honesty and pleasure you bestowed on me, I thank you for the honor of being your son. I long to be in your arms again in heaven.

I love you forever.

David Anthony "Tony" Bridges
