YOU CAN DEPEND ON GOD

You can depend on God, for He is the word
I'm a witness to tell you that my cries were heard;
You can depend on God; just give Him a chance
Your life will definitely be enhanced.

You can depend on God, I know for sure
It's thru His love, that you'll be able to endure;
You can depend on God; if "U" only believe
Give Him your all and you'll feel relieved.

If "U" depend on God and give Him a call
He will lift "U" up and never let "U" fall;
Depend on God, He'll be right there
God's love is spread thru out the world everywhere.

Ask God to save you and to forgive you for your sins
Depend on Him faithfully and let God live within.
Depend on God for salvation and strength
Follow His commandments from
the first thru the tenth.

U-C God is LOVE and it's He we all need
Depend on God, Allow him to lead;
Reach out and accept our Father's gift.
It is not hard.
Pray for your blessings in Jesus' name and
"Depend On God."
