

## *Family Tree*

### **Trace your roots back to one of the Seven Sisters**

Silvy Fulenwider-Roberts was our earliest known ancestor. Born a free woman in Guinea, Africa, she was abducted by slave traders and taken to Virginia, later to North Carolina, in the 1700's. Silvy was the mother of seven daughters: Delila, Besty, Sylvia, Kittie Bird, Fannie, Priscilla and Martha. She had one son, Josh.
