February 2011

Greetings and Happy New Year!

The Reunion Committee is excited about planning our upcoming 106th Family Reunion, August 5-7, 2011. This year we want you to feel a part of shaping our reunion weekend. You will find enclosed your reunion registration form and we ask that you complete it and mail it on or before June 30, 2011. Over the last two years our family members have catered our reunion to keep the cost down due to the economy. This year they have chosen to relax and enjoy fellowship with the family. The Sheraton Airport Hotel in Charlotte is once again our Reunion Hotel Headquarters and location for our Sunday Worship Service and Fellowship Dinner. Challenger 3 golf and amusement park, located in Shelby was at the top of the list for picnic locations this year, because of the outdoor activities for adults and children. Please take time to visit the selected websites highlighting areas of interest over the reunion weekend.

May God Continue to Keep You and Bless You,

Deidra Webber Humphrey

REUNION SPEAKER

We are asking family members to submit a name of a family member to be considered for this year's Sunday Speaker. We prefer that the family member has some speaking experience religious or motivational. Please contact us by email at hhumph1060@aol.com. We look forward to hearing from you.

HABITAT FOR HUMANITY

Cousins Miriam Grigsby Bates and Lewis Brooks are passionate about getting our family involved this year in a community service project. They are laying the ground work on how our family members can volunteer to build a habitat home in Gaston or Cleveland County. Our goal is to plan this effort during the month or week of the family reunion. If you would like to find out more and join their efforts, please contact Lewis Brooks at lewisebrooks@aol.com or 1-888-222-5016 or 202-607-4435
